**Abstract:** The year 2020 is the end of the 13th Five-Year Plan and the beginning of the 14th Five-Year Plan. This paper comprehensively expounds the program planning and academic content of the 13th Creative Forum for Library Management and Service (CFLMS). Facing the ever-changing information environment and users' needs, the forum focuses on the hot issues closely related to library service and management innovation. Through the theme of “Data, Service and Management: Planning and Breakthrough—Imagination of Lib2035”, the forum extensively and deeply discusses the innovation transformation and sustainable development strategies of libraries in the new era. Based on the mid-term and long-term development of university libraries, it also explores how to better provide high-quality service as guarantee of teaching, scientific research and strategic development of universities. This paper summarizes the features, contents and highlights of the forum, and explores the new ideas of the 14th Five-Year Plan and high quality development of academic librarianship.

四川农业大学图书馆创建于1956年。学校的前身是创办于1906年的四川通省农业学堂,1935年并入国立四川大学成为川大农学院,1956年迁至雅安,独立建校为四川农学院,1985年更名为四川农业大学。伴随学校114年的发展历程,图书馆紧紧围绕学校人才培养目标,不断拓展和深化文献资源建设、读者服务和队伍建设,逐步建成以收藏生物科学文献为特色,以农业科技文献为优势的高校图书馆。学校图书馆由雅安校区、成都校区和都江堰校区的图书馆所组成,共有建筑面积4.48万平方米。

图书馆设有办公室、文献资源建设部、读者服务部、技术部、信息咨询部,有工作人员76人,其中18人具有博士、硕士学位,4人具有正高职称,11人具有副高职称。

馆藏文献总量达1200余万册,其中纸质文献220余万册。有中外文全文数据库100余个,自建特色数据库11个。

图书馆实现了纸质图书借还自助化,增加集成资源的发现系统,引进移动图书馆管理系统和远程访问系统。

图书馆的信息素养教育课程是四川省高校同类课程中最早获得省级精品课的课程(2005),也是第一个获四川省教学成果二等奖的课程(2005)。

在学科服务方面,开展了基于学术成果的数据挖掘与情报分析,为科研管理、学科规划、人才引进提供客观数据支撑与分析报告。
